Our home was really born maybe a year ago + it was so perfect. We picked out every detail. My granddaughter, Meghan, had moved here about 6 months before the storm. She had made a friend who was staying with us for a while + they were really close. She didn't talk to her for about 2 months after the storm. She's staying in Kentucky with family. We were staying in Rockford IL for a while, but then we decided to move up to Wisconsin to be by my sister. We got a townhouse through the state + I enrolled Meghan in a Christian school. We came back with some people from our church in WI to work on our house on Nov. 25 + thats where we are now. I got this letter on the 26th. Thank You for listening!

Sincerely,
Betty [redacted]
